

## RUSTENBURG ALUMNAE NEWSLETTER

December 2025

### From the Editor

**June Watson**  
(Tribelhorn) E71  
RA President

As 2025 draws to a close, we reflect on what has been a wonderful year of alumnae reunions both locally and abroad, as well as of engagements between Rustenburg alumnae and the Rustenburg schools' community through a mentorship program. Thank you to those who have given of their time to mentor and inspire the schools' learners.

We are deeply grateful to all who have added to our bursary fund to support fellow alumnae through Tertiary Education sponsorships and allow alumnae to embrace the future with hope and determination.

In September we bade farewell to Asonele Kotu, our Alumnae Relations Co-ordinator, and miss her enthusiastic and empathetic presence. We thank her for fostering Alumnae relations so well as she reached out to and engaged with Alumnae.

In this edition, we spotlight some incredibly talented alumnae who continue to make amazing strides in their fields. We also report on reunions filled with friendship renewals. Please engage with us and share your stories of Rustenburg memories or achievements.

As we look towards 2026, we invite you to attend the Junior School Founders Day Assembly on 30 January and the High School Birthday Assembly and Alumnae AGM on 6 February. The Alumnae Lunch follows assembly on 6 February and is an ideal opportunity for year groups to reunite. Please book ahead of time on the links in this newsletter, under "Up-coming Events".

I have an appeal to our Rustybug Alumnae: Would you please offer your services to join our Committee. I need some willing support, including a Treasurer.

May the Festive Season bring blessings to you all.

## Erinville Stayover

*A gathering of Hostel Friends by E70 Elsabe Ketteringham (Groenewald):*

"We have often spoken about getting together as a group, and the opportunity to stay in the boarding house solved the problem of where we could all be accommodated. We were all from 1969 - 1972 apart from some who brought their daughters, and two girls who matriculated in 2011 who must have felt a bit bombarded by all the old ladies taking over!"

I think the sleepover exceeded our expectations - the food was excellent, the beds were (surprisingly!) comfortable and our group had an amazing bonding experience - keeping in mind that many of us had not seen each other for many years - some not since 1970!

Thank you to the staff at Erinville, to Noma and the ladies who prepared the braai for us a special thank you. We also appreciated that the principal came to say hello to us."

Joyce Louw (E71) commented: "It was amazing sleeping in our boarding house after decades. We laughed so much. I'm so glad I went."

Thank you to those who attended:

**Jenny Erskine (Craig' E70), Bambine Rogers (Rauch, E96), Elsabe Ketteringham (Groenewald, E70), Eulalia Rauch (E70), Lesley Workman (E70), Eulalia Frater (Rauch, E97), Liliias Foster (Theron, E70), Sheryll Coslett (E70), Jolene Butler-Wicht (Butler, E69), Christine Griffiths (Versveld, E70), Joyce Dowell-Ellis (Louw, E71), Maureen Kemp (E70), Mary Ann Lutzeler (Mowatt E11), Kim Smit (Mann, E11), Stella Dees (Inggs, E07).**

## E 15 Reunion Lunch

*Reconnecting after 10 years by E15 Annemieke Inder*

"Our 2015 ten-year reunion on the 25th of October was a delight. It was truly lovely to reconnect with familiar faces and catch up on the many paths our lives have taken since leaving school. The afternoon also gave us the chance to see the incredible changes that have taken place on campus over the past decade—the new facilities, refreshed classrooms and evolving learning spaces and labs were genuinely impressive.

We enjoyed a delicious lunch together, with relaxed conversation and long-overdue catch-ups. It was also encouraging to hear about the meaningful opportunities available to support current learners, especially the developments in the Media Centre and the initiatives focused on sponsoring tertiary education for students who need it. It felt special to see how our community can still make a difference.

The overall turnout was good, although we certainly missed many of our classmates who now live overseas. Even so, the atmosphere remained warm, nostalgic and full of laughter—a reminder of the strong bonds formed during our school years.

All in all, it was a truly lovely afternoon, filled with connection, reflection and a renewed sense of pride in our school and each other."

Thank you to the E15's who attended:

**Julia Darke, Annemieke Inder (Lourens), Couthar Sakir, Anika Ebrahim, Elle Mouton, Kea Nchodu, Zahraa Badat, Jessica Schnetler (Rackley), Lisa Aberts, Chelsea Bam, Shameez Toefy (Philips), Buhle-Bemvelo Zimba, Ashton Sims, Catia Espin (Dos Reis), Marianne Joubert (Schwellnus), Nicola Starke, Musa Makhoba, Estine Lee (Everson), Sarah du Toit, Yonela Katsha, Ashleigh Joubert, Farheen Mahmood, Liezl Cloete, Mubeenah Gangraker, Hannah Abdoll, Kirsty Davids, Hannah Wilson.**

## Alumnae Hockey Match vs RGHS Teams

*Connecting the past and present by E23 Jodie Blows*

On Friday, 17 October, RGHS hosted an Annual Alumnae Hockey Event. After a fun clash between the Matrics and their Parents & Coaches which opened the event, the Young Past Pupils drew 2–2 against the RGHS Second Team. The Past Pupils A team lost to the RGHS First Team 0–1.

The event wrapped up with a warm awards ceremony, a heartfelt farewell to Past Coach Olu Nckana and a relaxed picnic under the lights — a perfect ending to a wonderful evening of community and sport.

Jodie Blows (E32) reported: “The alumnae really enjoyed the match. It was such a fun day and great to be back on the field together.

The hockey was played at a really good standard and everyone appreciated the competitive yet friendly atmosphere. There was a great sense of team spirit throughout. It was lovely reconnecting with old teammates and seeing how well the school teams are doing”.

## E 65 Reunion Lunch

*Celebrating 60 years after Matric by Carolyn Rodger (Bocock)*

"On Saturday 27th September, a group of twenty 1965 matrics and five of their partners gathered at the Fynkos Restaurant at Kirstenbosch to celebrate the fact that it was nearly exactly sixty years since they wrote their matric exams.

The occasion took the form of a buffet lunch. We were very grateful to the five gentlemen who made up the required number for a buffet group booking. Quite a number of us are now based overseas and others in distant parts of South Africa. The food was really delicious and catered for all preferences.

We all enjoyed being reunited with people we had not seen for a long time - in some cases the whole sixty years - and catching up on what we had done in the intervening years. As the weather was fine, we were able to walk in the garden either before or after the lunch."

Thank you to Carolyn for sharing your story of a very enjoyable occasion. Thank you to Tessa for the lovely photos and comment: "We had a really wonderful day! It was so nice to meet up again and enjoy one another's company and catch up. The buffet lunch was amazing."

Attendees: Susan Ackerman, Lyndall Murray (Andrews), Barbara Boyes (Bam), Carolyn Rodger (Bocock), Brenda Fortes, Tessa Truscott (Gage), Patricia Voslamber (Hall), Karen von Broekhuizen (Harrison), Pippa Griffiths (Henderson), Elise Niehaus (Immelman), Rita Lile (Korck), Louette Fynn (Lamchen), Margaret Dixon (Lee), Jane Leblond (Salmon), Tessa du Toit (Spencer-Smith), Jennifer Coote (Thomas), Michelle Ross-Innes (Wilson), Cyelle Pollock (Wood)

## E69 Jolene Butler-Wicht:

Service above Self

Jolene grew up in Saldanha Bay and attended Rustenburg Girls' High School and Vredenburg High School. While living in the UK, she qualified as a Life Coach at The London Coaching Academy.

In 2006, Jolene worked as a life coach and mentor with women and children on the West Coast of South Africa. She developed and wrote a life skills self-help coaching program as well as a program called *Grow kids*.

Jolene started an after school care project at St Andrews School, Saldanha Bay, training local women to manage the project to provide a meal, assist with homework and organise educational outings. She married a farmer, Paul Butler and ran their Guest farm.

In 2022, Jolene spearheaded the launch of a Langebaan Charter of Rotary and, following in the footsteps of her father and grandfather, she was appointed as their president.

## Memories of Boarding House Life in 1966:

by E69 Jolene Butler-Wintch

Recently, Jolene attended the Boarding House School Reunion as a stayover at Erinville Hostel which brought back memories and she shared:

"In 1966 and 1967, for standard 7 and 8, I attended a Rustenburg girls' school, where I felt confined after having left my carefree life on the farm in Saldanha bay at 13 years old. As a boarding student, I was only allowed out for 2 weekends per term.

At the Boarding House Reunion Stayover, I spent the night in the dorms, just as I had 60 years ago. This fun reunion brought back a mix of good and sad memories, but I was grateful for the lifelong friendships formed during my time there.

Many of my fellow students came from farms and remote areas across South Africa, Namibia, and Zambia, and we all traveled by train to attend school...here are pictures from 50 years ago..."

## **Susan Schnetler**

*Retiring after an illustrious teaching career.*

After an illustrious career spanning more than forty years, Susan Schnetler is finally taking her well-earned retirement. She has been at Rustenburg since January 2007 as Deputy Head and a teacher of Geography.

Her role as Deputy has been many and varied and included being responsible for the academic programme, selecting the new intake, selecting new staff, interacting with parents and generally assisting the principals in their duties. She has worked with Elizabeth Fullard (1999-2007), Laura Bekker (2009-2015) and Michael Gates (2017-current).

For a year between each of them, she had to stand in as Principal herself and, at a top school like Rustenburg, that is no mean task. Expectations are high and it is easy to underestimate the enormous amount of time it takes to ensure that things run smoothly in a school environment.

With courage and resilience, Susan has managed a variety of situations with logic and resolve. Quick to grasp a situation, she does not shy away from difficulty. Not only is she fearless, a runner of many years who works to stay fit, but she can think on her feet and she is brave which are all helpful attributes in a tricky situation.

Susan has travelled far and wide - in her personal capacity, on school tours and attending conferences abroad. Bitten by the travel bug, she will doubtless continue to travel the world and now she can choose her times.

In April this year she became a granny for the first time and baby James is sure to benefit from her new freedom. There are just so many ways to enjoy herself as she embarks on more adventures. We wish her well in this new chapter of her life.

---

## **Noma Tshona**

*Erinville Superintendent has been an asset to Erinville life*

Nomawethu Tshona joined the staff at Erinville eighteen years ago as the hostel mom, working in the evenings and over weekends as she had a day job at the City of Cape Town. When Ms van Dyk passed away in 2017, Noma worked alongside Ms Evans and then became the Superintendent herself.

Her enthusiasm and encouragement have been a driving force behind successful fundraisers. She has reached out to past boarders to assist her and housed tours and visitors to hostel during the holidays. She has worked tirelessly to raise funds to upgrade existing facilities and enable the hostel to support learners who cannot afford hostel accommodation while studying at Rustenburg.

Noma is kind, brave, principled and hardworking. Her sense of humour is legendary. She has been offered a position which she felt she simply could not refuse.

"In October, RGJS hosted Principals, Deputy Principals and Departmental Heads from member schools of the Western Cape Association of Girls' Schools (WAGS) to participate in a "Soapbox" conversation. Insights and experiences from different contexts were shared to motivate and inspire each other. Valuable tips and tools gave everyone ideas and ignited their curiosity and creativity as leaders of girls' schools. Most importantly, they were reminded about the amazing network they share and the value of support they offer each other.

"In November, we held our annual Kaleidoscope Music Concert themed " Music from the Movies". Hits from the movies were performed by our Rustybugs, music staff and guest musicians, our Guinness World Record Marimba Band, Junior and Senior Strings Ensemble, Cello Ensemble, Saxophone Ensemble, Flute Ensemble, Senior Choir, Vocal Ensemble, Wind Band and Orchestra."

In October, our Cello Ensemble won the Best Junior School Ensemble award at the Cape Town Eisteddfod Prizegiving!

Four of our learners received outstanding results in round one of the Lions International Peace Poster Art Competition, the theme being "Together as One". Chloe Jones was awarded merit in the second round.

The team spirit was outstanding at our annual Sports Day was held at Rustenburg Girls' High School. Cambridge were the overall winners of Sports Day 2025.
